No-Show Policy

Quality care for our patients is our priority. Please take a few minutes to review our "NoShow" Policy and sign at the bottom of the form. If you have any questions, please let us know.

DEFINITION OF A "NO-SHOW" APPOINTMENT

Dalhart Family Medicine Clinic/High Country Community Rural Health Clinic defines a "no-show" appointment as any scheduled appointment in which the patients either:

- Does not arrive to the appointment
- Cancels with less than 24 hours' notice
- Arrives more than 15 minutes late and is consequently unable to be seen

"No-Show" appointments have a significant negative impact on our practice and the healthcare we provide to our patients. When a patient "no shows" a scheduled appointment, it:

- Potentially jeopardizes the health of the "no-showing" patient
- Is unfair to the other patients who could have taken the appointment slot Disrespects the provider's time, other patients, and the time of the staff

To avoid a "no show" appointment, arrive 15 minutes early or give the clinic at least
24 hours' notice to cancel the appointment.

The reason we ask you to arrive 15
minutes prior to your appointment time is to allow our staff to address any insurance or billing questions, update your record in our electronic medical records, and to allow the nurse time to room you and get you prepared to be seen by the provider.

Our call center will attempt to contact you the day before your scheduled appointment to confirm your visit. We must have a correct phone number to reach you. It is your responsibility to keep us updated with any number changes. If our call center is unable to confirm your appointment, please contact our office at 806-244-5668 by 9 a.m. the business day before the appointment to make changes.

CONSEQUENCES OF "NO-SHOW" APPOINTMENTS

A \$25 fee will be charged for any "no-show" appointments. This policy applies to new and established patients and will be charged directly to the patient/guarantor, NOT to the patient's insurance. All No-Show fees MUST be paid prior to the next appointment to be seen. If you miss three appointments within a year, you may be asked to find another provider within 30 days.

I have read and understand the Dalhart Family Medicine Clinic/High Country Community Rural Health Clinic "No-Show" Policy as described above.
