The Texas Immunization Registry (ImmTrac2) is a free service of the Texas Department of State Health Services (DSHS). ImmTrac2 is a secure and confidential service that consolidates and stores your child's (younger than 18 years of age) immunization records. With your consent, your child's immunization information will be included in ImmTrac2. Doctors, public health departments, schools, and other authorized professionals can access your child's immunization history to ensure that important vaccines are not missed. Consent for Registration of Child and Release of Immunization Records to Authorized Persons/Entities

I understand that, by granting the consent below, I am authorizing release of the child's immunization information to DSHS and I further understand that DSHS will include this information in ImmTrac2. Once in ImmTrac2, the child's immunization information may by law be accessed by a public health district or local health department, for public health purposes within their areas of jurisdiction; a physician, or other health care provider legally authorized to administer vaccines, for treating the child as a patient; a state agency having legal custody of the child; a Texas school or child-care facility in which the child is enrolled; and a payor, currently authorized by the Texas Department of Insurance to operate in Texas, regarding coverage for the child. I understand that I may withdraw this consent at any time by submitting a completed Withdrawal of Consent Form in writing to the Texas DSHS, ImmTrac2.

State law permits the inclusion of immunization records for first responders and their immediate family members in ImmTrac2. A "first responder" is defined as a public safety employee or volunteer whose duties include responding rapidly to an emergency. An "immediate family member" is defined as a parent, spouse, child, or sibling who resides in the same household as the first responder. For more information, see Texas Health and Safety Code § 161.00705. <https://statutes.capitol.texas.gov/Docs/HS/htm/HS.161.htm#161.00705>.
